FOREWORD

Development of this Municipal Charter for Kisii Municipality has been possible through devoted efforts of the Kisii County Government staff with Support from the Council of Governors to whom I am thankful.

The Charter is developed pursuant to the Urban Areas and Cities Act which provides for the classification of Urban Centres in Kenya. Kisii Municipality will be a corporate body, an agency of the County Government exercising delegated responsibility.

The Municipality will be managed by a Board with membership drawn from diverse organizations and associations. This composition aims at enhancing effectiveness and efficiency in the delivery of services to the residents. The decisions of the Board will be implemented by the Municipal Manager.

The process of conferring the status of the Municipality to this Urban Centre was preceded by preparation of an Urban Institutional Development Strategy that seeks to strengthen management of all urban areas in the County. Kisii Municipality is the first in this arrangement and other centres are due to follow.

Kisii County Government is committed to develop the urban centres to units that will deliver services as outlined in the Urban Areas and Cities Act, County Government Act and other relevant laws.
